

# INSTALLATION INSTRUCTION

# Installation Instruction

Before installation user has to be logged in as local administrator.

Double-click on an installation file if you are logged in as a local administrator. If not, please click right click on an installation file and select "Run as administrator":

1. Please read license agreement and if you agree, than select "**I accept the agreement**".
2. Select "**Install**".
3. The product is installed!
